We at CIMR ensure the privacy of all our students

Information and Privacy

CIMR is committed to protecting all the information you share with us. We follow stringent procedures to help protect the confidentiality, security, and integrity of data stored on our systems. Any employee who violates our privacy and/or security policies is subject to disciplinary action, including possible termination and civil and/or criminal prosecution.

Your registration

CIMR collects your information to offer you the best possible online experience. When you register (log in), you supply your student id and password. This allows us to provide you access to your account every time you visit our Website.

Cookies

Like many other transactional websites, we use "cookies" to improve your online experience and to save your time. Cookies are little tags that we place onto your computer. We assign a cookie to your computer when you first visit us in order to enable us to recognize you each time you return. Please note that the cookies we use for our Website do not store personally identifiable information about you or your finances.

Policy updates

We reserve the right to change or update this policy at any time by placing a prominent notice on our site. Such changes shall be effective immediately upon posting to this site.
